

Use this tracking tool for your Tiger Rank advancements earned during
Cyber Summer Camp

CUB SCOUT NAME: _____

TIGER BITES

Activity

With your parent, guardian or other caring adult, find out about good food choices and not-so-good choices. Identify three foods that you think would be good choices and three foods that would not be good choices.

Explain the importance of hand washing before a meal and clean-up after a meal. Then show how you would do each.

Complete at least **two** of the following:

- Show that you know the difference between a fruit and a vegetable. Eat one of each.
- With your parent, guardian, or other caring adult, pick a job to help your family at mealtime. Do it for at least four meals.
- Talk with your parent, guardian, or other caring adult about what foods you can eat with your fingers. Practice your manners when eating them.
- With your parent, guardian, or other caring adult, plan and make a good snack choice or other nutritious food to share with your den.

CUB SCOUT NAME: _____

SKY IS THE LIMIT

Activity	Campground Area	Completed?
With your den or parent/guardian/other caring adult, go outside to observe the night sky. Talk about objects you see or might see.	Dark Side of the Moon <i>Astronomy</i>	<input type="checkbox"/>
Look at a distant object through a telescope or binoculars. Show how to focus the device you chose.	Dark Side of the Moon <i>Astronomy</i>	<input type="checkbox"/>
Find out about two astronauts who were Scouts when they were younger. Share what you learned with your family.	Launch Pad <i>Space Exploration</i>	<input type="checkbox"/>
Complete one of the following:		
• Observe in the sky or select from a book, chart, or computer two constellations that are easy to see in the night sky. Find out the names of the stars that make up the constellation and how the constellation got its name. Share what you found with your family.	Launch Pad & Dark Side of the Moon <i>Astronomy</i>	<input type="checkbox"/>
• Draw and name your own constellation. Share your constellation with your family.	Dark Side of the Moon <i>Astronomy</i>	<input type="checkbox"/>
• Create a homemade model of a constellation.	The Lab <i>Astronomy</i>	<input type="checkbox"/>
• Find out about two different jobs related to astronomy. Share this information with your family.	Launch Pad <i>Career Exploration</i>	<input type="checkbox"/>
• Visit a planetarium, observatory, or science.	Launch Pad <i>Astronomy</i>	<input type="checkbox"/>

TIGER-IFFIC!

Activity

Play at least two different games by yourself; one may be a video game.

Campground Area

Completed?

The Lab
Career Exploration

☐

Play a board game or another inside game with one or more members of your family.
