

WEBELOS WALKABOUT

WEBELOS REQUIRED ADVENTURE

ADVANCEMENT TRACKING

A HomeScouting
Adventure

While all the HomeScouting Adventure Club activities can be completed at home, they can also be completed at an in-person or virtual den meeting. Use the tracking tool below to record your completion of activities. This is for your use. See below for how to notify your den leader or unit leadership of completion of the adventure.

Requirement	Location Completed (circle)		Completed?
Complete Requirements 1-4 and at least one other.			
1. Plan a hike or outdoor activity.	At Home	Den Meeting	
2. Assemble a first aid kit suitable for your hike or activity.	At Home	Den Meeting	
3. Recite the Outdoor Code and the Leave No Trace Principles for Kids from memory. Talk about how you can demonstrate them on your Webelos adventures.	At Home	Den Meeting	
4. With your Webelos den or with a family member, hike 3 miles. Before your hike, plan and prepare a nutritious lunch or snack. Enjoy it on your hike, and clean up afterward.	At Home	Den Meeting	
5. Describe and identify from photos any poisonous plants and dangerous animals and insects you might encounter on your hike or activity.	At Home	Den Meeting	
6. Perform one of the following leadership roles during your hike: trail leader, first aid leader, or lunch or snack leader.	At Home	Den Meeting	

Ways to notify unit/den leadership of completion of activities in the HomeScouting Adventure Club:

- Enter date of requirement completions in Scoutbook
- Turning in the tracking tool above to your leadership
- Fill out the monthly reporting tool at <http://www.homescouting.org/hacreporting> and a report will be sent to your leader on your behalf

Check with your unit leadership to find out the best method to report completions!

WORKSHEET

Our Hike Plan

Before assembling your first aid kit, make a list of minor emergencies you might encounter when on a hike.

What items should you take along to handle these emergencies?

In addition to the items you listed above, make sure to include these items:

- ☐ Adhesive bandages
- ☐ Moleskin
- ☐ Antibiotic ointment
- ☐ Latex-free gloves

Consider including the following, too:

- ☐ Gauze pads
- ☐ Adhesive tape
- ☐ Soap
- ☐ Scissors
- ☐ Mouth barrier
- ☐ Pencil and paper
- ☐ Antiseptic wipes

Requirement 3: Recite the Outdoor Code and the Leave No Trace Principles for Kids from memory. Talk about how you can demonstrate them on your Webelos adventures.

Fill in the blanks in the Outdoor Code. Use this to recite the Outdoor Code with a parent.

As an American, I will do my _____ to –
 Be _____ in my outdoor manners.
 Be careful with _____.
 Be considerate in the _____.
 Be conservation minded.

Key:

clean

outdoors

best

fire

Match the Leave No Trace Principle with its definition.

Know Before You Go

Make sure all trash is put in a bag or trash receptacle. Trash is unsightly and ruins everyone's outdoor experience. Your trash can kill wildlife. Even materials, such as orange peels, apple cores and food scraps, take years to break down and may attract unwanted animals.

Choose the Right Path

Campfire building is an important skill for every camper. Yet, the natural appearance of many areas has been degraded by the overuse of fires and an increasing demand for firewood. The development of lightweight efficient camp stoves has encouraged a shift away from the traditional fire for cooking.

Trash Your Trash

Stay on marked trails whenever possible. Short-cutting trails causes the soil to wear away or to be packed, which eventually kills trees and other vegetation. Trampled wildflowers and vegetation take years to recover. Stick to trails!

Leave What You Find

Learn about wildlife through quiet observation. Do not disturb wildlife or plants just for a "better look." Observe wildlife from a distance so they are not scared or forced to flee. Large groups often cause more damage to the environment and can disturb wildlife so keep your group small. If you have a larger group, divide into smaller groups if possible to minimize your impacts.

Be Careful with Fire

Watch for hazards and follow all the rules. Remember proper clothing, sunscreen, hats, first aid kits, & plenty of drinking water. Use the buddy system.

Respect Wildlife

Try to leave the space the same as you find it. The less impact we each make, the longer we will enjoy what we have. Even picking flowers denies others the opportunity to see them and reduces seeds, which means fewer plants next year.

Be Kind to Other Visitors

Expect to meet other visitors. Be courteous and make room for others. Avoid disturbing others by making noise or playing loud music.

Requirement 4: With your Webelos den or with a family member, hike 3 miles. Before your hike, plan and prepare a nutritious lunch or snack. Enjoy it on your hike, and clean up afterward.

What is your plan for a snack on your hike? What are you going to prepare?

Requirement 5: Describe and identify from photos any poisonous plants and dangerous animals and insects you might encounter on your hike or activity.

Label the poisonous plants below with their names: poison oak, poison sumac, poison ivy.

Based on where you live, what are dangerous animals you should be prepared for?

Requirement 6: Perform one of the following leadership roles during your hike: trail leader, first aid leader, or lunch or snack leader.

What role did you perform?

- A. Trail Leader
- B. First Aid Leader
- C. Lunch/Snack Leader

How did you help the group as a leader?
